	□ TV	□ Computer	□ Other Audio Device:

PRIVACY NOTICE

Member	
Initials	

I have reviewed the Costco Health Centre Notice of Privacy Practices (the "Notice"), and understand that all of my medical information will be used by Costco Wholesale in accordance with the Notice.

INFORMATION STATEMENT

Member Initials To provide a custom-fitted hearing aid, an accurate impression of the ear canal must be made. In some instances there may be some minor discomfort involved during the insertion of the impression material and the subsequent removal of the finished impression. Occasionally, there may also be some temporary aftereffects that might include: throbbing, abrasion to the ear canal, redness, soreness, haematoma or bleeding. Although rare, if a problem should occur, you should seek proper medical treatment.

IMPORTANT MEDICAL CONSIDERATIONS FOR A HEARING AID FITTING

To be completed by a Costco employee:

□ Yes □ No	Acute or chronic dizziness
□ Yes □ No	Pain or discomfort in the ear
□ Yes □ No	History of sudden or rapidly progressive hearing loss within the previous 90 days
□ Yes □ No	Unilateral hearing loss of sudden or recent onset within the previous 90 days
□ Yes □ No	History of active drainage from the ear within the previous 90 days
□ Yes □ No	Visible congenital or traumatic deformity of the ear
□ Yes □ No	Visible evidence of significant cerumen accumulation or a foreign body in the ear canal
□ Yes □ No	Audiometric air-bone gaps equal to or greater than 15 dB at 500, 1K, and 2K Hz
□ Yes □ No	Sensorineural asymmetry, consisting of >20 dB at 500, 1000 or 2000 Hz and/or >30 dB at 3000, 4000 or 6000 Hz

If the answer to any of the above questions is "yes," the member is advised that their best interests would be served by consulting with a licensed physician (preferably an ear specialist).
